Terms and conditions NS PriceTime Deal ticket

- NS PriceTime Deal is an E-ticket for a one-way journey on which a variable discount has been granted. The discount depends (among other things) on how far in advance you've purchased the E-ticket, how crowded the route is expected to be, the chosen time slot and the journey date.
- NS PriceTime Deal is valid for a one-way journey on the date, route and class stated on the E-ticket.
- NS PriceTime Deal is only valid in the time slot as stated on the E-ticket. It is not allowed to finish your journey outside of the time slot. That means from the moment the time slot expires, you can no longer be on the train to complete the journey.
- NS PriceTime Deal is a personal ticket and non-transferable. When checked, a valid identity document with photo must be shown.
- E-tickets with the NS PriceTime Deal are only valid for travel with NS. E-tickets with NS PriceTime Deal are not valid on IC International and the domestic routes of the international trains subject to a reservation requirement, such as Nightjet and Eurostar.
